Message from Miss Taunt

Dear Families

We were talking about how we get along with each other in assembly this week. We are a team at Belmore. Staff and children make that team. We may not like everyone in our team but we have to show kindness and respect. We watched the little video—click on the link at the bottom—and talked about we have the power to lift people up in our team. When someone is down, we can help make things better for them. Our families are also part of our team and if you have any worries or concerns, if you need any help

with anything, please do come and talk to us. We have had 2 great workshops this week, one about Year 6 SATs and a Stronger Families Coffee Morning—to catch up with these please [click here](#). We also have our Parenting Course at the end of February, details on page 5.

Have a lovely weekend

Rose Taunt

We are **RESILIENT** and learn from our mistakes

Triple P Seminar – The Power of Positive Parenting
Monday 26th February 2024
1.30pm -3pm
Belmore Primary Academy
Owen Road, Hayes, Middlesex, UB4 9LF

IS THIS YOU?

Most of the time, parenting is fun. You know you are doing a good job, but sometimes you find parenting demanding, frustrating and exhausting.

Do you know that in order to raise a healthy, well-adjusted child to have the skills and confidence they need to succeed at school and in their relationships with others, they need a safe, secure and loving environment?

Triple P (Positive Parenting Programme) reduces the stress of parenting and makes parenting more rewarding and enjoyable by helping you:

- Create a warm, loving, safe environment for your child
- Use positive strategies to encourage your child's learning

- Use assertive discipline to help your child take responsibility for their actions
- Have reasonable expectations of both your child and yourself
- Take care of yourself by looking after your own needs, balancing work and family responsibilities, challenging negative thinking and working as a team

In around 90 minutes, this seminar will leave you feeling more confident and competent and ready to deal with the challenges that raising a child can bring.
